From the Govt order dated 9th Sept 20 as at present worded, it has to be presumed that all offrs of Govt in all depts drawing a salary of more than Rs 100, whose mother tongue is not Kannada, shall pass an examination in Kannada but considering the object with which such an examination was prescribed viz: to equip themselves with a knowledge of

Kannada to enable them to converse with people with whom they come in daily contact in their daily official life, it could scarcely have been the intention of Govt that the order should be made applicable to the Professors & Asst Profs of the University, the nature of whose duties does not bring them into contact with people except to a very slight degree. Probably the order is intended to apply to officers in depts like Revenue, Excise, Forest, P. W. D. Co-operative &c who are brought into touch with the people at every moment of their official life & in whose case a knowledge of the predominant language of the country, viz Kannada is indispensable for a prompt & equitable disposal of official business. Therefore the G.O. of 1918 may not be made applicable to Professors & to the teaching staff of the University.
